- 2:03:19 From Glenda Eoyang (she, her, hers) : Happy Solstice!
- 12:03:21 From Kai : Hi everybody, my mic is not working but it's great to see all of you again!
- 12:03:42 From April Schnell : Reacted to "Happy Solstice!" with ❤️
- 12:03:55 From Royce Holladay : Happy Summer Solstice to you each.
From Janice Jaguszewski (she/her) : Reacted to "Happy Summer Solstice..." with ❤️
- 12:04:35 From Christian (he/his) : Having some tech difficulties. Will be listening in - thank you. Happy summer solstice 🌻
- 12:05:53 From Royce Holladay : **Stand in Inquiry:**
Turn judgment to curiosity
Turn disagreement to shared exploration
Turn defensiveness into self-reflection
Turn assumptions to questions
- 12:06:57 From Glenda Eoyang (she, her, hers) :
Who are we?
What is important to us?
How do we connect?
- 12:08:37 From Leslie Patterson : Very helpful, Carla!
- 12:09:25 From Mel : I echo what you're saying, Carla. The theory helps give me language to my intuitive experience.
- 12:11:29 From Royce Holladay :
Who are you - Container
What's important - Differences
How will we connect - Exchanges
CDE in one Venn diagram
From Mel : Reacted to Who are you - Conta... with "❤️"
- 12:13:44 From Royce Holladay : John sends his regards and regrets to you all—He is on a much-needed holiday with his family, and is sorry to miss this.
- 12:17:16 From Mel : I'm sorry to have to drop off just before 10:30, I just got requested to join a meeting with a client.
From Royce Holladay : Replying to "I'm sorry to have to..." We will miss you, and thanks for being here as much as possible.

Nothing is intractable.

- 12:20:06 From Kai : Since I won't be able to talk, I will leave. Will this whole session be available afterwards? Thank you very much!!
- 12:21:28 From Leslie Patterson : Sorry I need to leave—Unexpected knock at the door!
- 12:44:47 From April Schnell : I need to run to a board meeting in 15 minutes. Great to be with you all. Looking forward to reading the transcript of this group. Happy Solstice all!
- From Laura Williams : Reacted to "I need to run to a b..." with 
- 12:51:52 From Heather Oxman : Co-Creating and Sharing knowledge - understanding and interpreting information is about maturity and readiness of audience; about the ability of people to perceive and receive information; but also about the part, whole and greater whole of how you talk about the chunk of information you want to convey. Sometimes you want to tell a big story and only are able to relate a small portion of that story to the willing audience.
